

I support media diversity

I am writing to you today to comment on Docket 02-277. I strongly urge you not to change the present rules on media ownership. Already the news organizations do not have true independence to report what they want. They are subject to corporate views and influence and cannot give Americans a true picture of what is going on in their country. This problem will only get worse if you change the rules and I again urge you not to do this.

Thank you,
